Corrigendum No. I dated 21.06.2017

To

Open Tender No. BCL / RD / CAR /2017 DT.13.06.2017 for hiring of Cars on monthly / daily rental basis in BCL's Corporate / Clive Works as per tender conditions.

The following corrigendum is made in respect of the existing conditions of above Open Tender.

Tender Parameter	Existing Tender conditions	Amended Tender condition (through corrigendum)
<p>Page-6 of GENERAL TERMS & CONDITIONS, the of 'Rate' Parameter – Sl. No. 1 (b) is amended in corrigendum.</p>	<p>The ordered rate shall remain FIRM till completion of the job. However, in case of increase / decrease in the price of Diesel (HSD), the price is variable to the extent of actual distance travelled during the month as per the formula mentioned hereunder:</p> <p>Increase / Decrease in hire charges per km =</p> $P = \frac{X_1 - X_0}{12}$ <p>for kolkata as published by any PSU oil Company in their website.</p> <p>Where X_0 = Base Price of Diesel (HSD) for Kolkata of any PSU Oil Company as on the date of tender (month) shall be the base price. X_1 = Price of Diesel on the first of the month to which the bill pertains.</p> <p>In case, there are more than one change in price of diesel in a month, the rate prevailing on 1st day of every month will be considered for PVC calculation.</p> <p>Bidders shall note that average millage of the cars for calculating above price variation has been considered as 12 km per litre.</p> <p>A sample calculation for above price variation is enclosed at Annexure – 'A' for information of the bidders.</p>	<p>The ordered rate shall remain FIRM till completion of the job. However, in case of increase / decrease in the price of Diesel (HSD), the price is variable to the extent of actual distance travelled during the month as per the formula mentioned hereunder:</p> <p>Increase / Decrease in hire charges per km =</p> $P = \frac{X_1 - X_0}{12}$ <p>Where X_0 = Base Price of Diesel (HSD) for Kolkata of IOCL as on the date of tender shall be the base price.</p> <p>X_1 = Average Price of Diesel on the first of the month to which the bill pertains.</p> <p>Due to daily variation of diesel price, the average diesel price for the respective month will be calculated on the basis of average of daily prices as published in IOCL's website and will be considered for PVC calculation.</p> <p>Bidders shall note that average millage of the cars for calculating above price variation has been considered as 12 km per litre.</p> <p>A sample revised calculation for above price variation is enclosed herewith as Annexure- 'B' for information of the bidders.</p>
<p>Page-6 of GENERAL TERMS & CONDITIONS, the Service Tax clause (Sl. No. 2) is amended in corrigendum.</p>	<p>Service Tax shall be paid extra by BCL to the contractor as per statutory rules against documentary evidence of payment.</p>	<p>(1) GST rule will be applicable w.e.f 01.07.2017 as per Govt. Rule.</p> <p>(2) Bidders should be GST registered and copy of Acknowledgment shall be enclosed with Techno-commercial bid.</p>

All other terms & conditions of the tender shall remain unaltered.

For **BRAITHWAITE & CO. LIMITED**

Revised Sample Calculation of Price Variation Amount (on assumed figure basis)

Contract Rate = Rs.30, 000/- per car per month
(for average 3000 Km. & 312 hrs.)

Extra hour rate = Rs.100/- per hr.

Extra Km rate = Rs.10/- per Km.

Actual mileage executed in April'16 = 3500 Km for a car 'X' (assumed)

Actual Hours executed in April'16 = 390 Hrs for the same car (assumed).

X0 = Base price of Diesel (HSD) for Kolkata as per IOCL's website for Jan'16 = Rs.58.10 per Ltr.

X1 = Average Price of Diesel for Kolkata as per IOCL's website for April'16 (bill month)
= Rs.62.50 per Ltr.

Average diesel price for that month will be calculated on the basis of average of daily prices as published in IOCL's website and will be considered for PVC calculation.

$$\begin{aligned} \text{Accordingly, price variation in hire charges per Km.} &= P = \frac{62.50 - 58.10}{12} \\ &= \text{Rs.0.36} \end{aligned}$$

Price variation amount for mileage of 3500 Km. = 3500 x 0.36 = Rs.1260/-. In case, the executed Km. in the particular month does not exceed the mentioned Km, then calculation will be based on actual km run by the car.

Extra Amount for excess Km. of (3500 – 3000) i.e. 500 Km x Rs.10/- = Rs.5000/-.

Extra Amount for excess hours of (390 – 312) i.e. Rs.78 x Rs.100/- = Rs.7,800/-

Total Amount payable for Car 'X' including PVC for the month April'16= Rs.30,000/-+ Rs.1260/- + Rs.7,800/- **(is applicable being higher)** = Rs.39,060/-
